

iZZi Ride

Privacy Policy

Effective date: July 9, 2024 • <https://izziride.app>

iZZi Ride Inc., a Pennsylvania S corporation (“iZZi Ride”, “we”, “us”) — 807 Durham Place, Bensalem, PA 19020, USA

1. Introduction

This Privacy Policy explains how iZZi Ride Inc. (“iZZi Ride”, “we”) collects, uses, shares and protects personal information when you use the iZZi Ride app and the <https://izziride.app> website (the “Platform”). It also describes your privacy rights and how to exercise them. We are the controller of the personal information described here.

2. Information we collect

We collect information you provide, information generated as you use the Platform, and information from third parties:

- **Account & profile:** name, surname, nickname, phone number, email, gender, date of birth, profile photo, bio, language preference, and any vehicle details you add as a driver.
- **Identity / verification:** documents or photos you submit for verification (for example a passport image), and the verification status.
- **Trips & deliveries:** origin and destination cities, dates and times, number of seats, prices, bookings, parcels, and ratings and reviews.
- **Location:** the locations you enter for trips, and — where you grant permission — your device location used to show nearby trips, share live position during a trip, and improve matching.
- **Payments:** when you pay, our payment processor (Stripe) collects and processes your card and billing details. We receive a token, the last four digits, card brand and the payment status — we do not store your full card number.
- **Communications:** messages you send through in-app chat, and support requests and complaints you send to us.
- **Device & usage:** device identifiers, push-notification tokens, app version, log data, and basic analytics about how the Platform is used.

3. How we use your information

- to create and manage your account and verify your identity;
- to operate the core service — matching drivers and passengers, enabling bookings, deliveries, chat, ratings and reviews;
- to process payments and refunds through our payment provider;
- to send service messages and push notifications about your trips, bookings, payments and account;
- to provide customer support and handle complaints;
- to keep the Platform safe — preventing fraud, abuse, and breaches of our Terms;
- to improve and develop the Platform, using aggregated or de-identified analytics where possible;

- to comply with our legal obligations and enforce our agreements.

4. Legal bases

Where data-protection law requires a legal basis, we rely on: the performance of our contract with you (to provide the Platform); your consent (for example for device location or optional communications, which you can withdraw at any time); our legitimate interests (such as safety, fraud prevention and improving the service); and compliance with legal obligations.

5. How we share information

- **Other Members:** when you book or publish a trip, relevant profile and trip details (such as your name, photo, rating, and the agreed meeting points) are shared with the Members involved so the trip can take place.
- **Service providers:** we use trusted providers who process data on our behalf, including Stripe (payment processing), Google Firebase (push notifications and related app services), Google (Google Sign-In authentication), LocationIQ (maps, geocoding and routing), Twilio (SMS and one-time-passcode delivery), our cloud hosting provider, and our email provider.
- **Legal and safety:** we may disclose information where required by law, to respond to lawful requests, to enforce our Terms, or to protect the rights, safety and property of Members, the public, or iZZi Ride.
- **Business transfers:** if we are involved in a merger, acquisition or sale of assets, your information may be transferred as part of that transaction.

We do not sell your personal information.

6. Legal compliance and law enforcement

iZZi Ride may preserve, use, disclose, or transfer personal information whenever reasonably necessary to:

- comply with applicable law;
- respond to subpoenas, court orders, warrants, governmental requests, or law enforcement requests;
- investigate fraud, abuse, illegal activity, or violations of our Terms;
- protect the rights, safety, property, or legal interests of iZZi Ride, its Members, or third parties;
- establish, exercise, or defend legal claims.

7. International transfers

The Platform is operated for users in the United States, and our service providers primarily process data in the United States. If any information is processed in another country, we take reasonable steps to ensure it remains protected in line with applicable law.

8. Data retention

We keep personal information for as long as your account is active, and for up to twelve (12) months after your account is closed, unless a longer period is required by law (for example for tax, accounting, or fraud-prevention purposes) or is needed to resolve disputes and enforce our agreements. When information is no longer needed, we delete or anonymize it.

We reserve the right to retain information for as long as reasonably necessary to investigate fraud, enforce our agreements, resolve disputes, comply with legal obligations, or protect our legitimate business interests, even after you request deletion.

9. Security

We use technical and organizational measures to protect personal information, including encryption in transit, access controls, and secure handling of payment data by our PCI-compliant payment provider. No method of transmission or storage is completely secure, so we cannot guarantee absolute security.

10. Your rights

Depending on where you live, you may have the right to access, correct, delete, or receive a copy of your personal information, to object to or restrict certain processing, and to withdraw consent. You can update much of your information directly in the app, and you can delete your account at any time from the app settings. To make a request, contact us at support@izziride.com. These rights are subject to the retention exceptions described above.

If you are a California resident, you have rights under the CCPA/CPRA, including the right to know, delete, and correct your personal information, and to opt out of the “sale” or “sharing” of personal information. We do not sell or share your personal information for cross-context behavioral advertising.

11. Children

The Platform is intended for users aged 13 and over. We do not knowingly collect personal information from children under 13. If you believe a child under 13 has provided us information, contact us at support@izziride.com and we will delete it. Users under 18 should use the Platform only with the involvement of a parent or guardian.

12. Account deletion

You can delete your account at any time in the app under account settings. You can also request deletion by emailing support@izziride.com. On deletion we remove or anonymize your personal information, except where we are required or permitted to retain certain records (for example for tax, accounting, fraud-prevention, or legal reasons).

13. Cookies

Our website uses cookies and similar technologies, and our app uses SDKs that may set identifiers. See our separate Cookies Policy for details.

14. Changes and contact

We may update this Privacy Policy from time to time and will post the updated version with a new effective date. For privacy questions or to exercise your rights, contact us at support@izziride.com, or by post to iZZi Ride Inc., 807 Durham Place, Bensalem, PA 19020, USA.
